SERVED HIM RIGHT.

"Dismissed for insubordination" is the reason given by President Taft for dispensing with the services of Gifford Pinchot, chief forester, who was appointed to office by former President Roosevelt. It has long been the rule in government circles to look to the heads of the different branches for information, but this fact appears to have been forgotten by Pinchot during his controversy with Ballinger, and he unhesitatingly revealed official secrets to all who desired to listen. Not even content to await the official congressional investigation, the forester cast his gauntlet into the arena with the result of losing his billet.

Pinchot may have been right in his statements concerning the land frauds, but this did not grant him permission to usurp the power of his superiors and make the different heads of the bureaus the laughing stock of the nation. Drastic measures are taken at times to uphold the dignity of the United States and the action of President Taft will be commended by the public, which demands fair play in all public transactions. The president has done his duty well.

HIGH CLASS PICTURES SHOWN AT THE BUTLER

EXCEPTIONAL GOOD PROGRAM HAS BEEN ARRANGED FOR THIS EVENING.

Today there will be an entire change of program at the Butler theater at both matinee and evening performances. The pictures, of which there will be four, are of the very latest subjects and show both comedy and dramatic scenes. In reality the show is among the best offered at the popular place of amusement. In addition to the films there will be two illustrated songs. The program will be as follows: "Two Chums Looking for a Wife," comedy; "In India," scenic; "A Bride and Groom Taking a Walk Through the Zoological Gardens of New York," a howling comedy; and "Pathe" latest European craze, "Death of the Duke b' Englein. This is a colored film and is regarded as one of the best dramas ever shown by a moving picture. The admission at both matinee and evening performances remains the same, 10 cents.

STOCK MARKET

The glowing reports from the big strike made recently in the Belmont was the cause of the stock advancing 10 cents yesterday. From appearances this gain is only a preliminary to the advancement that will follow in the next few weeks when the price should be almost doubled. Montana advanced one point. Extension dropped back 4 cents.

Goldfield Consolidated declined 20 cents while Florence gained three points.

BURGARS SECURE SMALL CHANGE

The Misses Flora and Frances Smith, who returned several days ago from the coast where they spent the holidays, reported to Chief of Police Malley yesterday that their residence had been entered during their absence. The only articles of value missing are two dime banks containing a small amount of money. The authorities have a fairly good clue to the burglars and the arrests will probably be made within the next few days.

SECURE NAMES FOR NEXT TRIAL JURY

After spending nearly all of yesterday securing the names for the next trial jury, the commissioners adjourned last evening having selected 400 prospective jurymen. A few other minor affairs were settled and the board expects to adjourn today.

CALIENTE IS SWEEP BY FLOOD

The little town of Caliente, in Lincoln county, has been completely swept away by floods caused by the melting snows in the mountains above. Hardly a building was left standing and those not entirely demolished by the rushing waters are totally unfit for occupancy. The inhabitants fled to the surrounding hills and were forced to undergo many hardships owing to a lack of clothes and provisions. The disaster occurred Wednesday and on the brief reports sent out it is understood that one death resulted when a section hand on the railroad was drowned.

NEW BAILIFF AT THE COURT HOUSE

W. M. (Billy) Grimes, for a number of months past has officiated as bailiff of the fifth judicial district court, resigned from that position last night and today will take up the duties of chief deputy in the office of the auditor and recorder.

THIRD SUIT FILED AGAINST NORTH STAR

A third suit was filed yesterday against the Tonopah North Star Tunnel and Development company yesterday. The plaintiffs in this action are Campbell, Metson and Brown, who are seeking to recover the sum of \$1,000 due for legal services. The two former suits were filed by Key Pittman and by the First National bank of San Francisco, the latter holding a note for \$30,000 which was originally held by the Nye and Ormsby county bank.

TAFT'S MESSAGE TO CONGRESS

(Continued from Page 3.)

effective agency in the creation of the great trusts and monopolies.

A federal compulsory license law, urged as a substitute for a federal incorporation law, is unnecessary except to reach that kind of corporation, which by virtue of the considerations already advanced, will take advantage voluntarily of any corporation laws, while the other state corporations doing an interstate business do not need the supervision or the regulation of a federal license, and would only be unnecessarily burdened thereby. The attorney general, at my suggestion, has drafted a federal corporation bill, embodying the views I have attempted to set forth and it will be at the disposition of the appropriate committee of congress.
